Good Morning Emily,

Stacey Marshall (the new case manager you recently entered in the database for Alpha House) is a Professional CM, however, I think you may have entered her in the system as a Non-Professional because her services are billing for \$0 on the December invoice when they're entered under her name as a Professional CM. Would you mind checking on that for me so we can figure out what's going on?

Thank you! Carrie Carrie Hoelscher A2A Program Manager
